Dear Fr Haynes,

On the occasion of the 50th Anniversary of the death of Healey Willan, I am delighted to write in support of the Healey Willan Society and its work to promote the music of this significant Canadian Composer. He composed music for the coronations both of His Late Majesty King George VI and of his daughter Her Majesty Queen Elizabeth II. My predecessor Archbishop Geoffrey Fisher awarded him The Lambeth Doctorate, MusD (Cantuar), in 1956.

I trust that Healey Willan's music will receive due recognition in this anniversary year and in the years to come.

*In Christ
+ Josh Cantuar.*
